

# Discover the convenience of OptumRx Mail Service Member Select

Mail Service Member Select is a home delivery program that makes it easy for you to receive your ongoing medications by mail. This program will save you time and help you better manage the medication you take regularly. Not only is home delivery safe and reliable, it also offers the following advantages:

## **Cost savings**

You may pay less for your medication with a three-month supply through OptumRx®.

## **Convenience**

Get free standard shipping on medications delivered to your mailbox.

## **24/7 access and reminders**

Speak to a licensed pharmacist who can answer your questions any time, any day. You can even set up text reminders to help you remember to take or refill your medications.\*

## **Choose your fill preference**

You can choose to fill your maintenance medication through either OptumRx or a retail pharmacy. If you choose a retail pharmacy, you must disenroll from the Mail Service Member Select program.

The program allows you two retail pharmacy fills of your maintenance medication before you must choose. If you do not take action after the second retail fill, you may pay more for your medication until you make a decision.
